

Categorical encoding methods

OHE Ordered Target OHE Ordinal WoE Grouping Count frequent encoding ordinal categories Rare label grouping Basic methods Monotonic encoding Categorical encoding

Category encoders library

- Backward Difference Coding
- BaseN
- Binary
- CatBoost Encoder
- Generalized Linear Mixed Model Encoder
- •Gray
- Hashing
- Helmert Coding

- James-Stein Encoder
- Leave One Out
- M-estimate
- Polynomial Coding
- Quantile Encoder
- Sum Coding
- Summary Encoder

• Additional methods

- K-means
- Categorical embeddings
